Beyond Limits. Building Future.

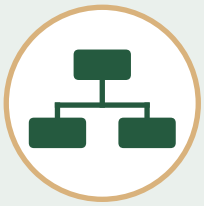

EffHR

ORGANISATIONAL CAPABILITY BUILDING

Building effective HR systems in a phased manner

to align business goals and people aspirations

THREE PHASES OF INVOLVEMENT

PHASE 1	PHASE 2	PHASE 3
		
Stabilize & Sustain	**Organize & Optimize**	**Perform & Progress**

AT A GLANCE

Phase	Focus	What it covers
1. Stabilize & Sustain Foundation	Structure, roles, policies and reviews put in place	Org structure · KRA-KPI · Induction · HR policy & process · Performance review
2. Organize & Optimize Building capabilities	Talent, skills, engagement and optimised resources	Talent acquisition · Skills · Engagement · Rewards & recognition · Individual to process-driven
3. Perform & Progress Progress	Growth axis, performance management and leadership	Growth axis · Performance management · Leadership & coaching · Goals & engagement · Succession

HOW THE THREE PHASES HELP

Foundation → **Capability** → **Progress**

From a stable foundation, to stronger capability, to sustained growth

Stabilize & Sustain

PHASE 1 OF 3
FOUNDATION

1 Stabilize & Sustain → 2 Organize & Optimize → 3 Perform & Progress

Putting the foundation in place

SCOPE

1. **Org structure**
   Clear roles, levels and reporting lines
2. **KRA | KPI**
   Measurable expectations for every role
3. **Induction program**
   A structured start for every new joiner
4. **HR policy & process documents**
   Set policies and standard processes
5. **Performance review systems**
   A fair, periodical way to review performance

OUTCOMES

- Clear structure
- Measurable roles
- Set policies
- Periodical reviews

Organize & Optimize

PHASE 2 OF 3
BUILDING CAPABILITIES

1 Stabilize & Sustain → **2 Organize & Optimize** → 3 Perform & Progress

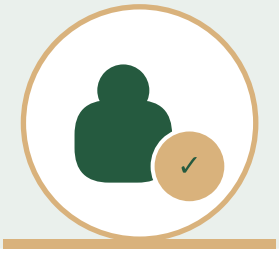

Building capability and optimising resources

SCOPE

1. **Talent acquisition**
   Planned, structured hiring
2. **Skill development programs**
   Close skill gaps, prepare for bigger roles
3. **Employee engagement programs**
   Keep people motivated and committed
4. **Rewards & recognition**
   Recognise and reward good performance
5. **Individual-driven to purpose & process-driven**
   Move from individual dependence to shared purpose and process

OUTCOMES

Right talent

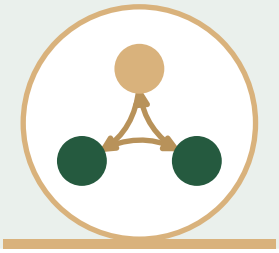

Skills trainings

Engaged teams

Process-driven

Perform & Progress

PHASE 3 OF 3
PROGRESS

1 Stabilize & Sustain → 2 Organize & Optimize → **3 Perform & Progress**

Focusing capability on growth

SCOPE

1. **Growth axis**
   Choose and focus on the few growth priorities
2. **Performance management system**
   Make performance management drive growth, not only measure
3. **Leadership development & coaching**
   Develop and coach leaders to carry growth
4. **Goal setting & engagement**
   Cascade goals and keep teams engaged
5. **Succession planning & career paths**
   Build the leadership pipeline for the next stage

OUTCOMES

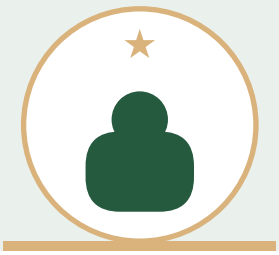

Focusing on growth

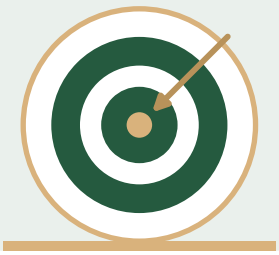

Goals-linked rewards & recognition

Leadership coaching

Aligned goals

EffHR Service Offering

Here We Go

ASSESS → ALIGN → ENGAGE

1 Assess

Capability assessment of the organisation today

- Org Structure
- Manpower Cost
- People Management Policies
- HR Process

2 Align

Engagement document

Assessment findings → Scope of deliverables → Timelines

- Phase 1
- Phase 2
- Phase 3

3 Engage

The three phases begin

1. Stabilize & Sustain
2. Organize & Optimize
3. Perform & Progress

> *Strong systems give good people the room to do great work.*
